## Free Kids' Music: Celebrate Purim with Mama Doni!

Thursday February 26, 2009

That's right, free kids' music, and just in time for Purim! Hot on the heels of her Chanukah CD, *I Love Chanukah!*, Mama Doni (Doni Zasloff Thomas) releases *I Love Purim!* this month. The four-song EP will be available for free download during the month of March on the [Mama Doni website](#). You can also purchase the actual disk from CDBaby.com.
