

Thursdays 3pm - 5pm CST 107.1 FM
 We rock the airwaves each week featuring live music and interviews from happening kindie-rock artists, celebrated children's musicians, and tunes that make parents feel young again.

It's the Hap-HAPPIEST Show of the Year!

By Jacie Published: December 8, 2011

Christmas came early this year for Kids Rock Nashville! Nathan Meckel of [The Happy Racers](#) joins Jacie and Jeep for an interview and plays live music from his debut album 'Ready Set Go' - some highly recommended stuffing for your stocking! And although it's his first kids' record, it seems Nathan Meckel has already mastered the art of walking the fine line between adult and children's music.

In the first hour, Meckel keeps us dreamin' with live performances of "Failure's A Myth" and "Hip Hooray Parade" (the latter, a co-write with award winning children's author, Barbara Joosse & Grammy nominated writer Burton Collins). Honestly, we can't gloat enough about this yummy new children's album, yet as they say, 'the proof of the pudding is in the eating' or in this case rather, *the listening*, so we implore you to click play below!

Also in this program, more gift ideas for him, her and your kids! A new "Jeep on the Street" and this week's RockSTER winners sing a Christmas classic sure to melt your heart!

Happy Holidays from Jacie & Jeep!
