BabyElan Music Review {GIVEAWAY}

Once again I am so very excited to share with you this month's edition of BabyElan Music! I have two great CDs that you and your kids will LOVE to listen to! Enjoy!

Mazel to **Mama Doni's "Shabbat Shaboom!"** This CD includes Mama Doni's whole family (including the kids of course) and will win your family over after the first song! Our oldest son listened to the whole CD in his room one afternoon. Since we are Catholic, he didn't understand the significance of many of the songs so he and I parked ourselves in front of the computer and spent some time learning about then meaning behind many of **Shabbat Shaboom's** songs! **Mama Doni's** upbeat music turned out to be educational and entertaining for us! Visit their site to watch music videos and listen to the CD before you buy it! Once lucky BabyElan reader will win a copy of this CD for themselves. To enter follow the instructions below. Shalom!

Mark April 5th on your calendar! **Billy Kelly's** new CD "The Family Garden" will be available and you will want to be first in line to get it! This CD has made my son's DS1 playlist and he plays the "I'm Thinking of an Animal" several times a day. One of our lucky readers will also win a copy of this CD as well! To enter the contest please follow the rules below! Good luck!

That Shabbat CD sounds great! We have a CD of Jewish music from the cantor at our synagogue but I'm always on the lookout for other other options.
