Shabbat Shaboom - A Review and Giveaway!

COMING SOON!
Our Newest CD
March 2011

SHABBAT SHABOOM

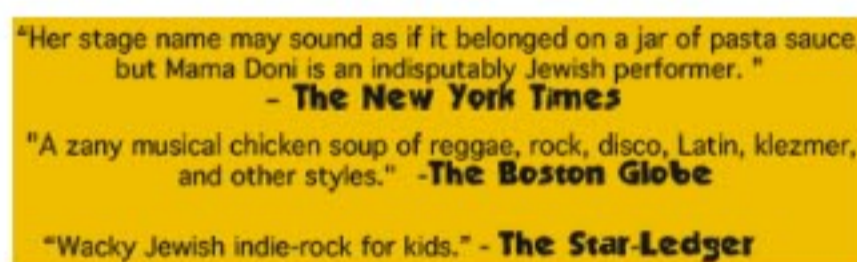

I love being able to expose Little Miss to other cultures in fun ways. **Mama Doni** and her new CD *Shabbat Shaboom* is a great way to expose her to Jewish culture. Doni got her start when her preschool asked her to take a position as a music teacher in early 2007. She used this as a golden opportunity to share her love of Jewish culture with kids in a way in which they could easily relate. And it is easy to relate too! She uses fun, familiar tunes and an extremely upbeat sound to songs that celebrate Jewish culture. This CD is definitely a party on its own – Doni's upbeat songs will have everyone in the room dancing.

Here is the songlist for *Shabbat Shaboom*:

Shabbat Shaboom, *Challah Day*, *Mazel Tov*, *My Mishpocha*, *The Sabbath Queen*, *A Grape Juice Break Dance*, *The Bat Mitzvah*, *Synagoguersize*, *Fahklempy (Again)*, *Jewish Cowgirl (remix)*, *Chicken a la Tango*, *The Finale*, *Shabbat Shaboom (acoustic)*, *Sleepytime*

You can listen to one of **Mama Doni's** previous CD's [here](#). And see some videos [here](#). In addition to producing funky, family-friendly CDs and videos, **Mama Doni** and her team offer live concerts and workshops. They also plan to release a cookbook and children's book this year!
