Shabbat Shaboom by Mama Doni...Review & Giveaway!

There is a new CD in our car rotation these days...Shabbat Shaboom by Mama Doni! I love listening to all types of music and have such fun exposing the kids to a great variety. Mama Doni is self-described as "funky music with a Jewish twist". I could not wait to have a listen.

**AVAILABLE NOW!
SHABBAT SHABOOM**

Mama Doni is SO MUCH FUN. She is pure energy and right away the kids and I were bee bopping along in the car. The sound is a mix of pop and funk and the kids LOVE this CD and so do I. Mama Doni does sing about things from the Jewish culture like lighting the Shabbat candles and Bat Mitzvahs but her songs also are completely relateable to ALL families. In My Mishpocha she sings about her crazy and fun family which I am sure we are all a happy part of and she sings about giving thanks in our personal favorite, Mazel Tov.

I am convinced Shabbat Shaboom by Mama Doni will be a huge hit with everyone in your family...I dare you not to car dance along!! She has already had great success with past releases and has been seen on Good Day New York, Weekend Today in New York, Shalom TV and The Soup! It seems Reviewed By Mom is in good company in being a Mama Doni fan!

You can pick up your own copy of this Shabbat Shaboom by clicking [here](#).
