

mama doni :: chanukah fever {giveaway}

November 22, 2011 by Jessica | 3 Comments

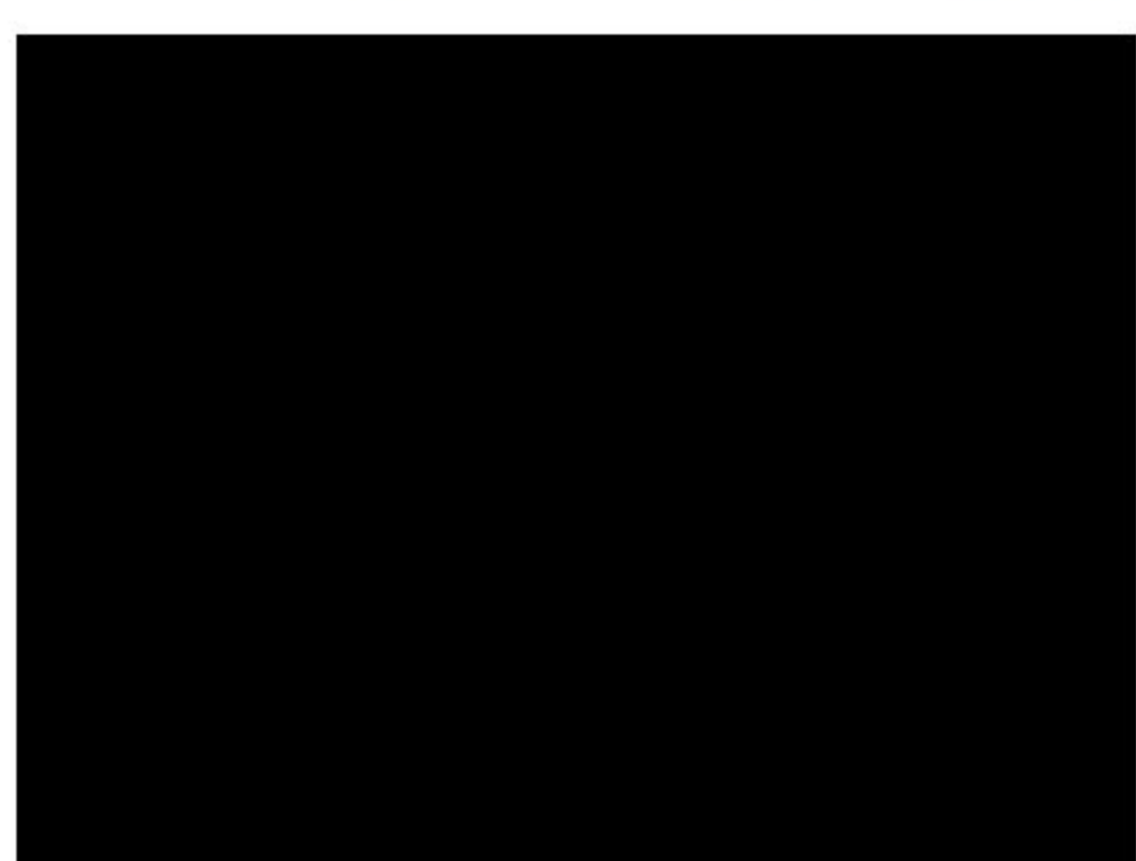

Finally, 13 Jewish jingles for the holiday season! The Award winning Mama Doni brings her unique and special brand of "funky music with a Jewish twist" to the holiday season with the popular album, *Chanukah Fever!* The album, resplendent with Mama Doni's signature wildly fun style, features a contagious and unexpected blend of reggae, rock, disco, Latin, klezmer and "Jewgrass" - all woven together with Chanukah themes. Includes *Latke Man*, *The Funky Gold Menorah*, and the infamous disco-ditty *Chanukah Fever!*

You don't have to be Jewish to love Chanukah Fever! *Mama Doni* delivers kid-friendly, fun and funky songs all about Chanukah! They are both educational and fun, plus, really catchy!

The title track, *Chanukah Fever* (video below) is super fun, and I like *Funky Gold Menorah* because it makes me wanna dance! It's been fun remembering some of the things I learned in my Jewish/Christian Dialogue course in college. Thanks Mama Doni!

This album would be an awesome Chanukah (you can also spell it Hanukkah) gift for a child!

Check out the video for the title track, *Chanukah Fever*, DISCO STYLE!!

Mama Doni, a.k.a. Doni Zasloff Thomas, is a mom, educator, performer, songwriter, and lead singer in The Mama Doni Band. Wanting to share her love of Jewish culture with kids in a fun and cool way, Doni soon began writing and recording her own songs. *Mama Doni Productions* was born!
